MOBILE App

Extend the power of JailTracker throughout your facility with on-the-spot accuracy and accountability of supervisory activity.

Jail Management Solutions
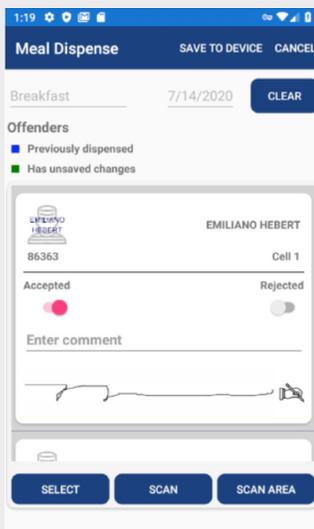

Meal Dispense
Track meals received and refused. All meals can be tracked, recorded and reported on a person by person basis throughout the facility.

Booking Search
Need to look up something unexpectedly. It's all right there in the palm of your hand.
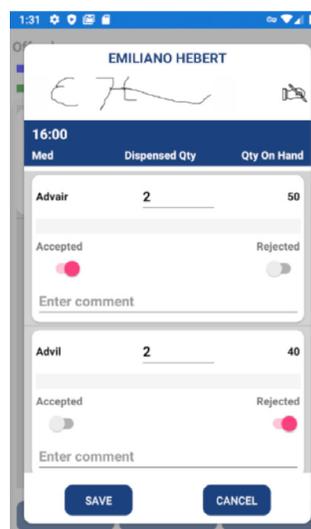

Medicine Dispense
Reduce liability risk with offender signatures as each medication is dispensed.

Observations
Immediate documentation of anything unusual (with or without photo). No special trip anywhere else required.
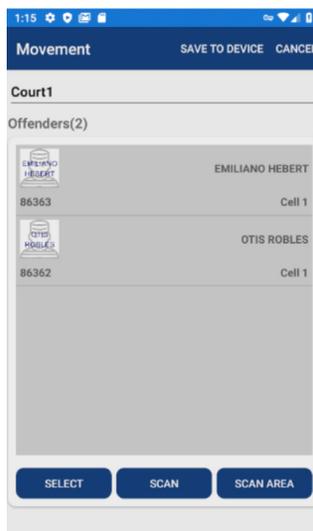

Movement
If you need to move someone immediately, you can with the JailTracker Mobile App.
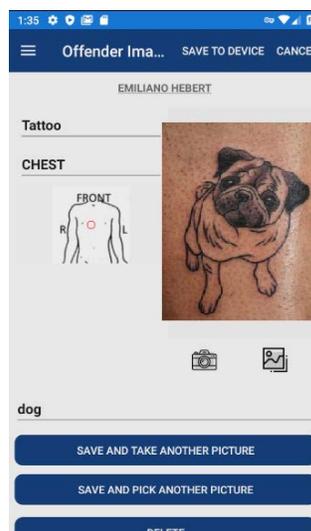

Offender Images
Take pictures of offender scars, marks, or tattoos. You have access to offender images anytime you need them.
